12. Seeding from each pool will be determined by win-loss record in pool play. In case of ties, head to head determines seed. If 2or3 teams are tied, a point system comes into effect to determine the seeds of the pool. There is a maximum of +/-15 point per game. All games in pool play are included in figuring point system. In case 3 teams are still tied, the least amount of points allowed in pool play will determine the higher seed. In case there is still a tie, a coin toss will determine seeding.

The Tournament Directors will have the final say regarding any disputes.
