Tournament Rules

1. National High School Federation rules will be followed with the few exceptions listed below:
2. All games will be played in two 16-minute stop clock halves.
3. There will be no shot clocks.
4. Each player will be allowed a total of six fouls before being disqualified.
5. There will be a minimum five (5) minute warm-up and two minute break between halves.
6. Teams will be allowed to call (4) full timeouts per game.
7. Intentional and technical fouls will result in an automatic two points and ball out of bounds.
8. First overtime is two minutes, second overtime is one minute and third overtime is first team to two points.
One thirty second timeout per OT, no carry over of timeouts from regulation.
9. A player can only play on one team during the entire event. A player can not play in two different age groups or the same age group on two teams during the tournament.
10. There is no dunking allowed during pre-game or halftime warm-ups.
11. Home team is listed first in pool play games and at the bottom of bracket play and will wear light color.
12. Seeding from each pool will be determined by win-loss record in pool play. In case of ties, head to head determines seed. If 3 teams are tied, a point system comes into effect to determine the seeds of the pool.
There is a maximum of +/-15 point per game. All games in pool play are included in figuring point system.
In case 3 teams are still tied, the least amount of points allowed in pool play will determine the higher seed.
In case there is still a tie, a coin toss will determine seeding.

The Tournament Directors will have the final say regarding any disputes.
